

2017 French Creek Chardonnay

Winery Notes:

100% Chardonnay from the French Creek Vineyard located in the Yakima Valley. Fermented and aged in concrete egg tanks, it does not go through malolactic fermentation, which preserves its acidity. This is not your traditional buttery Napa Chardonnay.

Personal Notes:

2016 Walla Walla Valley Cabernet Sauvignon

Winery Notes:

A classic Walla Walla Cabernet, with notes of black cherry, black plum, blackberry, basil, savory, and sage. Aged 22 months in 50% new French oak.
